

50 MILES

on the Buffalo National River

2011

BOY SCOUT TROOP 142

Fayetteville, Arkansas

www.troop142bsa.org

Dear Parents and Scouts,

Our Troop is planning a 54-mile canoe trip on the Buffalo National River this summer. It will take 5 days to complete the trip. We will average around 10-17 miles per day, so this is a high adventure trek! During this trip we will work on merit badges, rank advancement and contribute service hours cleaning up the river for the National Park Service. Merit badges offered will include Canoeing, Wilderness Survival, and Fishing, along with requirements on other merit badges. Some of the class work requirements will be completed prior to or after the float.

The date for the 50 miler is June 10-15, 2011. Please try and arrive at the scout hut on June 10th **no later than 4:00 PM**. It is important that we leave no later than 5:00 PM so we can set up camp in the light and get our drivers back home at a decent hour. We will arrive in Fayetteville June 15 at approximately 5:30 PM. As usual, we will call on our way in to let you know our ETA.

Currently, the cost will be **\$110** per person. If a scout has worked at least half of the fund-raising activities (football and basketball concessions), he or she will have a cost of **\$55**.

There will be scheduled 50 miler crew meetings on **May 23 at 6:00**, prior to our regular troop meetings and again on **May 31 at 5:30**. These are mandatory. If more than one meeting is missed (without an appropriate excuse) you will be marked off the list, adults included. This is where your vote counts on the menu and trek planning.

In order to have a safe and manageable float; we are going to limit the trip to an absolute maximum of 26 floaters, with preference being for a crew of about 20. We are going to require a \$20.00 deposit, which will insure a spot on the float trip. We require that this deposit be paid no later than May 23, 2011. If the deposit or the total fee is not received by this date, you may be removed from the list of those attending. If we have too many sign up, we will have a waiting list. Preference will be given to those who have the appropriate rank and experience.

Everyone **MUST** furnish at least one good cooler with you name affixed.

We will be planning meals during our 50 miler meetings. We know that at least one meal will consist of fish in order to satisfy the requirements of the Fishing merit badge. That means that fishing rods and tackle will be needed. Also, if you are 16 or older, you are required to have an Arkansas Fishing License valid during the float date.

The location of the 50 miler will be on the middle to lower part of the Buffalo National River, starting at Mt. Hersey and ending at Dillard's Ferry. These locations may change depending on the water levels.

We will camp along the river nightly, pitching tents on well-groomed gravel bars. The scouts will camp and function within their patrols leaving the adults functioning as their own patrol, letting each scout learn and grow with the outdoors. Scouts will prepare and serve all meals to the crew except Tuesday's dinner which is prepared and served by the adult leaders.

The requirements for Scouts to attend the trip are as follows:

- ❑ 1st Class rank or above and showing dependability and maturity
- ❑ Pass the B.S.A swim test
- ❑ Miss no more than one 50 miler meeting
- ❑ Preferred canoeing experience (fall float, day float, Camp Orr, etc.)
- ❑ Fees paid in full by June 1st.
- ❑ Signed permission form with necessary phone numbers in case of emergency
- ❑ Signed National Park Service wavier
- ❑ Arkansas fishing license if 16 years of age or older

The requirements for Adults to attend the trip are as follows:

- ❑ Be registered as a BSA adult leader
- ❑ Complete the Safe Swim Defense/Safety Afloat training
- ❑ Complete Youth Protection training
- ❑ Pass the B.S.A swim test
- ❑ Canoeing experience and willing to assist scouts in canoeing skills
- ❑ Be prepared to teach or help teach merit badges, Scout skills, or to conduct games/activities appropriate for the trek

Included in the fee will be a McDonald's lunch in Harrison on the way home Wednesday.

The sun can be a problem unless you have a large brimmed hat and lots of sun block. Be sure and pack these items!!

We will stop Friday evening at the King's River Store for anyone that wishes to grab something to eat. Please bring your own money, unpacked from your gear.

We will need parents to volunteer to transport our crew to and from our destinations. It would consist of driving your vehicle with passengers to the Mt. Hersey on Friday evening and returning to Fayetteville 11:30 pm -12:30 am and or picking up at Dillard's Ferry on Wednesday morning around 11:00 -11:30 am, which would require leaving Fayetteville at 8:00 am. We will gladly buy your gas and if you're one of our pickup drivers, we'll buy your McDonald's lunch on the way home! Please let us know if you can provide this much needed support for the crew!
