**The National Park Service
has a special award for Boy Scouts!**

This 50 Miler patch is *only* available from the Buffalo National River.

The "Buffalo National River Boy Scouts of America 50 Miler" patch is awarded to scouts upon completion of a 50 mile float, hike, or combination thereof. The trip must be completed between five and 10 consecutive days.

A 10-hour conservation project must also be completed during the trip. The project will consist of work that will assist in preserving and protecting the resources of the Buffalo National River.

Before starting your trip, contact Kristie Webb at (870) 741-5446, extension 221, for the necessary volunteer forms, and to find out what projects might be available.

Sincerely,

Ronald R. Switzer
Superintendent
